# MAXIMUS

## Touch and go

Delta tiller bar for the easiest driving setup, plus USB charging point for your gadgets

## Compact made clever

Simple quick-fold, vertically storable frame

## Powered by the future

Rapid charging and 25 miles on a full charge

Compact made clever, kitted out with a collection of features to help you move better, feel better and live better. The Maximus is an expression of progressive functional design, powered by the future thanks to its lithium-ion battery with off board charging and built to boost your freedom with its quick-fold, vertically storable frame. Enjoy maximum freedom and maximum potential with the Maximus Folding Mobility Scooter.
