

Essential Hard Case

PRODUCT CODE: **MS08050027**

Designed for most travel scooters and powerchairs, the Essential Hard Case keeps your belongings safe and secure whilst out and about.

The spacious interior is capable of carrying items up to 8KG, which can be neatly placed within the inner mesh bag or held into position with the adjustable velcro straps.

Simply slide the elasticated fabric over the top of your scooter or powerchairs backrest and you're ready to go.

⚠ WARNING! Ensure the hard case is securely placed onto the seat before travel. Do not exceed the maximum carry weight stated.
