

Expert repair service to keep your furniture protected

The Furniture Protection Plan covers life's little accidents, such as food or drink spills and accidental damage.

When accidents happen we have a team of trained furniture experts ready to repair damage and remove stains. You can make a claim by going online or by calling our UK call centre on: 0345 128 1240

Wherever possible our network of expert repair technicians and stain removal specialists always try to repair the damage.

If a repair isn't possible, we will source new parts for you, or a replacement item if the parts are not available.

Claim for as many incidents as you need over 3 or 5 years (dependent on the plan you choose). You'll have cover for parts, labour and replacement items up to the indemnity value of your plan. Your indemnity value is the price you originally paid for your furniture or £15,000, whichever is the lowest. Your limit of indemnity will reduce after each claim.

A Guardsman Protection Plan is not a substitute for regular care and cleaning.

We'll take care of the accidents, but the day-to-day care is down to you.

We recommend Safeclean for general cleaning. Visit www.safeclean.co.uk to find your local technician and obtain a free quotation.
